October 6, 2005

Officer Mike Kralicek,

On behalf of The Fraternal Order of Police from multiple Cities, Counties and States, it is an honor to present this token of appreciation to you and your family. Money cannot properly display or represent the gratitude for your courage, bravery, and personal sacrifice to preserve the peace in your community as a Law Enforcement Officer. This check is one way to help you and your family in a time of need.

Your actions and the actions of the other officers of the Coeur d'Alene Police Department and Kootenai County Sheriff's Office on December 28, 2004 is a sober reminder of how fragile the "thin blue line" can be between peace and chaos.

As the President of the Fraternal Order of Police and a fellow Officer, I commend you on your courage, bravery, and the will to survive when you were called to action. Your physical and mental fortitude have gone far above and beyond the call of duty.

You are truly a model officer for your will to survive. Good luck with your future, and God bless you for being who you are and what you represent. As a fellow officer who has been shot in the line of duty, I have specifically followed your progress from a distance. It is an honor and a privilege to be here today to meet with you. You have and continue to walk the path of a modern day warrior.

Respectfully,

**Todd Raymond
President
